## HANDS ACROSS DELAWARE VALLEY

St. Norbert's (Paoli) Mary Ann Flynn and Michele Howard finalize volunteer plans with Rev. John Mosley and Redeemer Ministry Corps' James McShane. Long famous for their delicious meals, bingo and card games at North Broad Street, the St. Norbert volunteers will soon extend their weekly activities to the Bainbridge community. Let the good times continue to roll!

## IN MEMORIAM Edgar Storm

February 4, 1935 - March 12, 2006

Bethesda Project offers its condolences to the family of Edgar Storm, a resident of My Brother's House since April, 2005. Edward was born on February 4, 1935, and came to MBH by way of the VA hospital. He was very well liked at MBH and was a sober resident on our second floor. He died at Graduate Hospital on March 12, 2006, after a bout with pneumonia. Edgar was a young 71 at the time of his death. A memorial was held for Edgar at his MBH family at 11:30 AM, Wednesday, March 22. May he rest in peace.

## St. Patrick's Day

It was 'top of the morning' in the middle of the month as Bethesda houses honored St. Patrick with soda bread from Waldron Mercy Academy. Corned beef and cabbage dinner marked the occasion at MBH and a delicious roast beef dinner was delivered to North Broad from their Irish (and not Irish) friends at St. Norbert's.

***Bethesda's March Madness!***

In like a lion, March began with over 100 college (Waynesburg, Michigan State, Loras, Emmanuel, Salve Regina, DeSales, Marywood, Loyola, Duquesne and Mercyhurst) students spending their Spring Break with Bethesda Project, interacting with our guests and residents and putting in over 650 volunteer hours of much needed work. Later in the month Cabrini College and Penn State Alumni kept up that lion's roar in our houses.

And finally, at the end of the month we celebrated *Young Volunteers Recognition Night* on March 28 to honor seven schools which have faithfully and consistently supported our mission and work through the generous volunteer work of their students: Memorial Middle School (Medford, NJ), The Philadelphia School, Waldron Mercy Academy, Bishop Eustace Preparatory School (Pennsauken, NJ), Abington Friends High School, Tredyffrin Easttown Middle School and Conestoga High School. What a pleasure to be able to honor these enthusiastic and energetic young volunteers after all the ways they have honored the Bethesda family!

***A BLESSING ON OUR HOUSE!***

On Easter Sunday, April 16, the dinners in our residences will again be prepared by Karen Leimkuhler and her Kitchen Krew. We are grateful to these wonderful women (plus Jerry!) for their practical and ongoing attention to the Bethesda family table.

On Wednesday, April 19, Beth Palubinsky (Development Director), along with mother Jessie and good friend Susan, will be preparing and leading a traditional Seder Meal at Spruce Street to celebrate the Passover. Another first for Spruce Street!
